Submit Post

¹ **NAME: BYLINE:** If you want an official byline, you will have to register and log in before you access this form. If you subscribe to any of the newsletters, you are already registered; all that you have to do is log in, using your email. To simplify the matter, you can also just add a byline manually, as in the example below.

² **VIDEO:** Only embedded videos are accepted. See page 3 for details.

Guidelines

Acceptable articles (which are seen by the hundreds) **must inform**, and content must be relevant to or about Sooke. Articles on current road incidents, fires, hydro outages, upcoming events, wildlife sightings, etc are always welcome. If a video source provides an embed code, you add that code by clicking the text tab (upper right) and pasting in the code.

Articles are refused if we can't verify the validity of the article, or if it's defamatory (attacks another person or business by name). To sell, please contact us (publisher@sooke.pocketnews.ca) and inquire about our advertising options. Ads on SPN are displayed 100,000 of times per month to an authentic Sooke-and-visitor readership. **SPN reserves the right to edit, accept, or refuse any submission.**
